### **Day 1: Welcome to Fiji!**

Arrive Nadi Airport where you will be picked up and transferred to our hotel. The ride takes approximately 45 minutes -1 hour. Your pick up transfers are included in your package, but you will need to arrange your return to the airport. At 5pm we will have a meet and greet reception at the hotel where you will get to know your fellow travelers and go over our activities for the week.

### **Day 2: Snorkeling Malolo Lailai**

Enjoy complimentary breakfast. Today we will enjoy a full day aboard our catamaran sailing. Our destination for the day is the coral reef and sand bank at Malolo Lailai Island with lunch stop at Musket Cove Island Resort.

Our day starts at Port Denarau, the exciting central hub for marine activity in Fiji. Once we're all aboard we can drop the lines, hoist the sails and leave the busy main Island for our ultimate Fijian day out on the water. Our professional local crew will entertain and inform, with their knowledge of the local marine life, history and folk law. Look out for dolphins, turtles, flying fish and seabirds.

Our first stop is the world famous snorkeling sand quay where the calm clear waters and abundant fish life make for an amazing snorkeling experience. From first timers to veteran divers, our crew will ensure everyone has the best and safest experience possible.

Just 10 minutes away is the picturesque Malolo Lailai Island where a sumptuous Fijian BBQ lunch with all the trimmings is laid on. An Ice cold Fiji bitter, a refreshing cocktail or fresh fruit juice can be purchased from the world famous Island bar. Then there's time to relax on the beach, swim, or stroll along the white coral sand around Musket Cove and Plantation Island resorts.

Buffet lunch is included.

### **Day 3: Rafting the Upper Navua River**

Enjoy complimentary breakfast. Today is a full day rafting day adventure that you will never forget. In the remote highlands of Viti Levu lies one of the most unique river trips on Earth. Slicing a deep chasm through the island's tropical interior, the Upper Navua River is our hidden pathway to a pristine tropical wilderness.

Shrouded in lush rain forest, fed by countless waterfalls and protected by challenging rapids, the Upper Navua River is Fiji rafting at its best. There is not one waterfall but many (some say at least seventy); not one short stretch of deep, narrow canyon, but kilometers. This is a place where black volcanic walls are at points barely five meters apart and over forty meters high and fringed by emerald rainforest. This is a place where man has been merely an intermittent visitor at best, where some of the wildest and most beautiful Fiji can still be found. Enjoy complimentary breakfast.
