### Day 2 Husky Safari and Travel to Kilpisjärvi

Enjoy breakfast at the hotel. We will depart this morning to enjoy a **Husky Safari**. Upon arrival at the kennel, you will be suited with a comfortable and warm winter suit, winter shoes, and mittens to keep you warm during your dog sledding adventure. After a short introduction on how to handle the dogs and sleds, we will set out into the wilderness in pairs. One will be the "musher" (driver), and one will be in the sled. You change places halfway, so both get to experience the thrill of mushing and the comfort of the sled. The huskies love to run, but be aware that you will have to play your part in helping the team up the slopes and difficult terrains. This is a fun and exciting experience, where you will also get a bit of a physical workout. After a fun and exciting trip, you arrive rosy-cheeked and smiling back at the camp, where hot soup and drinks await!

After lunch, we will depart for **Kilpisjärvi**. Kilpisjärvi is where the three nations of Norway, Finland, and Sweden meet. Driving time is approximately 2.5 hours. Here we will stay in beautiful chalets in Finnish Lapland. Dinner will be included at the hotel.
